Respect in Sport – Parent Program for Water Polo Canada

The Alberta Water Polo Association has implemented the Respect in Sport Parent Program which is a key piece to the safe sport environment.

All families who have registered must have at least one parent complete the Respect in Sport online course and become RIS certified. The RIS certification is valid for 5 years. For parents who have completed this with a different association they can import their certificate and add Alberta Water Polo to their profile.

The cost for each family to complete the Respect in Sport Parent Program online certification course is \$12.00. This fee is in addition to any club or player registration fees. The link to access the RIS Parent Program can be found below. Once a profile has been created, select the Wild Water Polo club under the Alberta Water Polo Association and add your child's name to their profile under "Child Management". Multiple children can also be added to the same profile
